

BIKE SMART Safety Fest

Join us for a family-friendly bike safety day hosted in partnership with Commute PA. Children can bring their bikes to ride through a safe and exciting bike rodeo course. Helmets are required for participation. No helmet? No problem. Helmets are available for participants on a first-come, first-served basis. There will also be fun activities for children, including bike helmet decorating.

Families can enjoy light refreshments and explore a variety of vendor tables to learn more about the services provided by our community partners.

Saturday, May 16

10 a.m. to 2 p.m.

Reading Area Community College
30 S. Front Street
Reading, PA 19602

This event is free and open to everyone in the community.
